Data Sources and Notes

The fact sheets were compiled by the Social IMPACT Research Center at Heartland Alliance.

Poverty, extreme poverty, working poor, severe rent burden, SNAP, and Medicaid data come from the U.S. Census Bureau's [American Community Survey 5-year estimates program](#).

Unbanked and underbanked data come from calculations conducted by the Social IMPACT Research Center on data from CFED's [Assets & Opportunity Local Data Center](#). Unbanked is defined as households with neither a checking nor savings account. Underbanked is defined as households that have a checking and/or a savings account but have used non-bank money orders, non-bank check-cashing services, non-bank remittances, payday loans, rent-to-own services, pawn shops or refund anticipation loans (RALs) in the past 12 months.

Parole data come from the Illinois Department of Corrections, on file with author. The number of Illinoisans with a record comes from the National Employment Law Project's analysis of Bureau of Justice Statistics' data, on file with author.
